### Blue Bicycle Travel Rules

1. Students may not drink alcoholic beverages, smoke or use drugs.
2. Students are guests in the hotel and should act accordingly. No hanging out of windows, running through halls, climbing on balconies, loud music, foul language or other disturbing activity will be permitted.
3. Students should not block entrances or meet in loud groups in the lobby.
4. Students are financially responsible for damage to their rooms.
5. At no time should non-trip guests enter rooms.
6. Students must be in the hotel by 10:00pm unless with their chaperone.
7. Students may visit each other's rooms until 10:00pm. After 10:00pm, students must be in their own rooms.
8. Room checks will be at 10:00pm. Chaperones must physically see each student.
9. All students must inform chaperones when they leave the hotel. No student is ever to leave the hotel alone.
10. Students must go with the group during all scheduled activities and stay with the group at all times.

Think before you act! Infractions of these rules will case a disciplinary action by your chaperone. In serious cases, students could be sent home at their parents' expense. Discipline problems can affect the status of future trips.

I have read the above rules and guidelines and I agree to abide by them. I will also understand if the chaperone will have to take disciplinary actions if there are violations.
